BIOINFORMATICS REVIEW IN PRINT IS COMING

We are working hard to bring the print issue of BiR.

The print edition of Bioinformatics Review will be printed monthly.

The subscription cost is **Rs. 550 for Print and Rs. 200 for full online access paid annually.**

Our readers include students, professors and industrial giants.

We are the first Bioinformatics Reporting magazine in India.

As a premium subscriber you will be able to read premium articles, apply to jobs and do much more.
