Bioinformatics Review

India's

Best Bioinformaticians

2018

AWARD

”

2018 is an exciting year for Bioinformatics. With a great research, new databases, tools, and onset of Big Data and AI in mainstream, we are yet to see the potential Bioinformatics has in future. So, we have

compiled a list of Best Bioinformaticians & scholars who made a significant contribution to the field, whom all of us look up to for their great insights

Best bioinformatician in india

Dr. Raghava is a bioinformatician, currently working as a Professor at Center for Computational Biology, Indraprastha Institute of Information Technology (IIIT), Delhi. Previously, he was appointed as a chief scientist at Bioinformatics Centre, Institute of Microbial Technology (IMTECH), Chandigarh, India.

[Know More About Dr. G P S Raghava](#)

Dr. Gromiha is currently working as Associate Professor since 2010 at the Department of Biotechnology, IIT Madras, Chennai, Tamil Nadu, India. He got his Ph.D. in Biophysics in 1994 from Bharathidasan University, India. Dr. Gromiha has worked as a Senior research scientist at Computational Biology Research Center (CBRC), National Institute of Advanced Industrial Science and Technology (AIST), Tokyo, Japan. [Know More About Dr. Michael Gromiha](#)

Dr. B. Jayaram is currently working as a Professor in the Department of Chemistry, IIT Delhi, and a coordinator of Supercomputing Facility for Bioinformatics and Computational (SCFBio), Biology School of Biological Sciences, Indian Institute of Technology, Hauz Khas, New Delhi, India. [Know More About Dr. B Jayaram](#)

Dr. Shandar Ahmad is currently working as a Professor and scientist at the School of Computational and Integrative Sciences, Jawaharlal Nehru University (JNU), New Delhi. He belongs to Old Delhi and is a passionate and enthusiast scientist who also loves poetry (Urdu and English). [Know More About Dr. Shandar Ahmad](#)

Dr. Andrew Michael Lynn is currently working as a Dean and Professor at the School of Computational and Integrative Sciences, Jawaharlal Nehru University (JNU), New Delhi. He gained his masters in Biotechnology from Goa University (1991) and Ph.D. in Life Sciences from JNU (1998). [Know More About Dr. Andrew Michael Lynn](#)

Dr. Imtiaz Hassan

Dr. Imtiyaz Hassan is another bioinformatician from India who is currently working as an Assistant Professor at a Premier Central University, Jamia Millia Islamia (JMI), New Delhi. He has completed his Ph.D. from All India Institute of Medical Sciences (AIIMS). [Know More About Dr. Imtiyaz Hasan](#)

Dr. Punit Kaur

Dr. Punit Kaur is currently appointed as an Associate Professor at AIIMS, New Delhi. She has completed her higher education from AIIMS during which she has been awarded the S V Talekar Medal for the best postgraduate of the Department of Biophysics (AIIMS) for the year 1991. [Know More About Dr. Punit Kaur](#)

Dr. M. Tabish

Dr. Tabish is a Professor at Department of Biochemistry, Faculty of Life Sciences, Aligarh Muslim University (AMU), Aligarh, Uttar Pradesh. He completed his Bachelor (1989) and Master (1991) in Science in Biochemistry from AMU and obtained his Ph.D. from Toyohashi University of Technology, Toyohashi, Aichi, Japan in 1995. [Know More About Dr. M Tabish](#)

Dr. Naidu Subbarao

Dr. Naidu Subbarao is an Associate Professor at School of Computational and Integrative Sciences, Jawaharlal Nehru University (JNU), New Delhi. He obtained his M.Sc. and Ph.D. from IIT, Kanpur. Earlier, Dr. Subbarao has been appointed as Junior Information Scientist (1993-1995), at Bose Institute, Calcutta; and as an Information Scientist / System Analyst, at the School of Computational and Integrative Sciences, JNU from 1995 to 2013 [Know More About Dr. Naidu Subbarao](#)

Dr. Indira Ghosh

Dr. Indira Ghosh is working as a Professor at School of Computational & Integrative Sciences, JNU. She obtained her M.Sc. in Physics from University of Calcutta, West Bengal, India in 1976, and her Ph.D. in Molecular Biophysics from Indian Institute of Science (IISc), Bangalore in 1982. She has been appointed as a Post-Doctoral Fulbright Scholar at the University of Houston, USA with Prof. J.A. McCammon (1983-86), and as Scientist C at Indian Institute of Chemical biology (CSIR), Jadavpur, Kolkata, India for two years (1988-1990). [Know More About Dr. Indira Ghosh](#)
