Dr. Prashant Pant

Editor

Dr. Prashant Pant is researcher, teacher and has keen interest in software driven analysis of DNA/Protein sequence data for taxonomic, phylogenetic and other homology based studies. Currently he is involved in understanding Microbial diversity using Next generation sequencing approaches and Analyses of sequence analyses of metagenomic datasets using computational biology approaches. He is presently engaged with undergraduate teaching as an Assistant Professor in University of Delhi.

THE EDITORIAL BOARD

Fozail Ahmad

Fozail is a Bioinformatician with keen interest in Biological Sciences. Professionally a teacher and passionately a researcher, he has worked on Molecular Evolution as a UGC project fellow in Dyal Singh College, University of Delhi. His area of research interest are Systems Biology, Biological Networking and Mathematical Modelling etc.

Muniba Faiza

Muniba is a reviewer and author for Bioinformatics Review. She is associated with Department of Computer Science, Jamia Millia Islamia. She writes reviews, edits and manages contents for Bioinformatics Review. Muniba is also responsible for bringing new content to BiR

Dr. Arun Kumar Maurya

Dr. Maurya is an invited reviewer at Bioinformatics Review. He holds a degree in Law and a Diploma in Intellectual Property Right Laws (PGDIPRL) from National Law School of India University (NLSIU), Bangalore

Tariq Abdullah

Tariq is a Bioinformaticist and a programmer. His role at Bioinformatics Review is to review contents, plan and coordinate with editors. He also heads site administration. He is the founder of Bioinformatics Review

CONTRIBUTORS

Nabajit Das

Visiting researcher at Indian Institute of Science Education and Research(IISER) Kolkata and Invited reviewer at Bioinformation.

Manish Kumar Mishra

Jamia Millia Islamia. New Delhi

Altaf Abdul Kalam

Jamia Millia Islamia. New Delhi.
